## Cost of Mediation

**INITIAL 15-MINUTE PHONE CONSULTATION** **FREE**

**PRE-MEDIATION PREPARATION APPOINTMENT** **\$ 385**

This appointment is required for all participants in matters relating to children.

It is also required for all participants in family law property settlements where lawyers are not involved.

This appointment is optional if the asset pool has been established by lawyers assisting the parties in family law property settlements and in other mediations that do not relate to family law.

If a pre-mediation appointment is held with one participant and / or their lawyer, it must be held with both participants.

**HALF-DAY MEDIATION** **\$ 2,200**

**FULL-DAY MEDIATION** **\$ 3,300**

The same costs apply for in-person or Zoom mediations. Meeting room hire may be charged at cost if a meeting room is not supplied.

These charges include associated administrative work, review of reasonable documents, preparation for mediation and GST.

Costs are generally equally shared between the parties, but Barling Mediation is open to one party paying the full cost of the mediation. This does not impact on the service being delivered or the impartiality of the mediator.

Payment is to be made in full by bank transfer with a receipt provided by email at least 24 hours prior to the scheduled mediation.
